Invitation Letter to
2018 Global Trade and International Logistics
Summit

To whom it may concern,

The first China International Import Expo(CIIE) will be held in Shanghai from November 5 to 10, 2018. Supported by the Ministry of Transport of the People's Republic of China, 2018 Global Trade and International Logistics Summit will be held by China Communications and Transportation Association on November 8 at National Exhibition and Convention Center (Shanghai).

It is a significant move for the Chinese government to hold CIIE to give firm support to trade liberalization and economic globalization and actively open the Chinese market to the world. With an exhibition area of 270,000 m², more than 150,000 professional purchasers and over 200 Fortune Global 500 enterprises and industry leading units from over 130 countries and regions are expected to participate in the first CIIE. As an important part of the service trade industry, international logistics is the premise and foundation of the development of international trade and plays a vital role in promoting the sustainable development of the global economy and society.

With the theme of "Logistics changes the world", the Forum will

focus on efficiently connecting of international logistics under the new global trade era, exploring the industrial policies and development trends of transportation and logistics facilitation between countries, and exchanging cooperation experience of urban logistics and cross-border logistics, including Belt and Road logistics, China Railway Express and etc., to achieve efficient business matchmaking between Chinese and foreign logistics enterprises and cargo owners, and promote the development of international trade and open up a new era of global trade. In addition, a special exchange dinner of "Overseas Exhibitors' Night" and a warm-up activity of "The 3rd Global Trade and Container Transportation Conference" will also be held before the Forum.

As the host of the Forum, we hereby sincerely invite all interested cities, enterprises and institutions to participate in this Forum, to showcase your most competitive products or services, display your advantages and brands, and facilitate more extensive win-win cooperation!

 China Communications and
 Transportation Association
 August 29, 2018.
